Choose three of the above mini-projects to complete for *Island of the Blue Dolphins*. You must choose three in a row (horizontally, vertically or diagonally). This is going to be a project that you will work on mostly in class, but may have to finish some parts at home. You will be given time in class on a daily basis to work on this. I will provide as many of the materials as I can to help you with this. All three mini-projects are due on Monday, March 5th.
