Put a check in the appropriate box for each statement.

	Always	Sometimes	Need to work on this
I think about why I am reading something.			
I think about what I already know about the topic.			
I think about what might happen in the story.			
I picture in my mind what I am reading.			
I ask myself if what I'm reading makes sense.			
I think about what kind of story it might be.			

Put a check next to each statement if it applies to you.

When I come to an unfamiliar word I might:	
<input type="checkbox"/>	Reread to see how the word is used
<input type="checkbox"/>	Look for meaning clues in the text
<input type="checkbox"/>	Look for patterns or word parts
<input type="checkbox"/>	If the word does not seem important to the meaning skip it and continue
<input type="checkbox"/>	Use a dictionary
<input type="checkbox"/>	Ask for help

Do you like to read? Why or why not?
