

Dear Miss Mac,

I can't believe it's already the last day of school. I want to tell you how much of a great teacher you are. The reasons you are a great teacher because you are fair about the treatment of your students, you can make your class laugh when you make jokes. You also play sports at recess with us like football, basketball, and bump. You give us just the right amount of homework and you play fun games with us in class. I thank you so much for your great teaching skills.

Dear Miss Mac,

Thank you so much for one of the best school years of my life! Like the card says I'd like to stay in 4th grade for the rest of my life.

Sincerely,
[Redacted]

Dear Miss Mac,

During my nine years at St. Clare School I have not been lucky enough to have you as a teacher. Even though I haven't personally had you as a teacher, my sister has. She always came home telling us about how fun you were in the classroom. We loved the "gnome" stories! I was jealous of her because of her overnight trip to the Oregon Trail, which sounded really fun. As well as a teacher, you also coached basketball. I got to see you as a 5th grade basketball coach at my sister's games and practices and it always seemed like you worked to make everything really fun.

To end my letter I would like to tell you I am very thankful to have been able to meet you and see you around St. Clare. Good luck to you in the upcoming years, I hope to see you soon, perhaps on the basketball court.

Dear Miss Mac,

You have been so good to me this past year, I can't thank you enough! You are the best teacher I have had. I wish you could still be our teacher next year and the next year and the...Wait, you can always be my teacher it doesn't even have to do anything with education. You are my role model no matter what anyone says or does. (No pressure of coarse!)
